## THE SUNSHINE-FROST AWARD

The Sunshine-Frost Award is given in memory of Sunshine Elizabeth Perlmutter and Tammy Frost to honor Champions of Record and Performance Title Holders. This award is available to those individuals who have had the thrill of campaigning their Maltese to a Championship or Performance title (whether owner-handled or shown by an agent.)

To qualify for the Sunshine-Frost Award

- The applicant must be a member of the AMA at the time the dog finished its championship
- The member must be listed as the owner of the dog when published in the AKC Awards Book
- The award must be applied for and the applicant must provide supporting AKC documentation (copies of championship certificates, AKC print outs, etc.).
- The application must be received by the deadline with AKC documentation of the title achieved

Only one award per Champion or Performance Title holder is offered. The award is offered for the current award year only. Any member desiring the Sunshine-Frost Award for Champions of Record and Performance Title holders for previous years in which they were an AMA member may apply but will be required to pay for the name plate(s). Co-Owners and Breeders may apply and pay for additional awards for the same dog if desired. If a dog receives more than one Champion or Performance Title and the owner wishes another plate, it may be obtained at the owner's expense. The calendar year of January 1<sup>st</sup> through December 31<sup>st</sup> will be used to determine awards each year.

**Only those Champions of Record and Performance Title holders during the year 2020 will be paid for by the AMA. Any member desiring the Sunshine-Frost Award for Champions of Record or Performance Title holders for previous years may apply but will be required to pay for the name plate(s). The same qualifications apply for previous years.**

Respectfully,

Julie Phillips
